The same psychic prediction three times is definitely a sign. Even though Esmeralda McElroy is ready to reunite with a man from her past, she doesn't expect Mitch Margolin to be him. Mitch is no longer the sexy musician who once caught her eye. Now he's a conservative, buttoned-down--hot--guy. So not her type. Still, the steamy way they connect between the sheets is making her see stars. The tricks he does with his fingers are sinful! But out of bed their different views collide. Does that mean he's Mr. Wrong? Is she tempting fate by continuing to sleep with him? Where is that crystal ball when she needs it?
